PROFILE

Aspiring front-end developer with a strong foundation in React, JavaScript, and modern UI/UX practices. Passionate about building user-friendly, scalable web applications and enhancing user experiences through clean and responsive design.

WORK EXPERIENCE

FRONT-END DEVELOPER

2024 - PRESENT

Uplift hub Nigeria, Bauchi State, Nigeria. (remote)

- Liaised with clients and designers to create robust, functional platforms.
- Developed hands-on experience in Tailwindcss and React, collaborating on projects to enhance front-end components.
- Utilized version control systems such as Git to track changes throughout the development process.

WEB DEVELOPER INSTRUCTOR

2023 - 2024

nHub Nigeria, Jos, Plateau State, Nigeria.

- Taught core web development skills in HTML, CSS, and JavaScript, emphasizing responsive design and best coding practices to over 50 interns.
- Planned website development, converting mockups into usable web presence with HTML, JavaScript, AJAX, and JSON coding.

SALES REPRESENTATIVE

2019 - 2020

Goods Communications Jos, Plateau State, Nigeria

- Expanded customer base through cold calling over 50 potential clients per day, networking, and relationship building.
- Increased sales revenue by 10% by identifying and targeting high-potential accounts.
- Conducted product demonstrations to educate customers on features, benefits, and competitive advantages.
